Genius Learning Summer Camp 2025

Genius Learning offers educational and exciting summer camp. Students will participate in core academic program in Mandarin Language Arts and Math in the morning while being immersed in unique themes loaded with hands-on activities in the afternoon. Here are the highlights of 2025 Summer Camp!

<p>June 16-20 Rubix Cube</p> <p>This week's focus is on Rubik's Cubes. Get ready for a fun and challenging experience as your child explores problem-solving, spatial reasoning, and creativity through the world of Rubik's Cubes. It's a hands-on adventure that promises both enjoyment and cognitive growth.</p>	<p>June 23-27 Twisting Balloons</p> <p>We'll dive into the fascinating world of twisting balloons. Your child will have a blast learning the art of balloon twisting, creating delightful shapes, animals, and more. It's a week filled with hands-on fun and imaginative expression.</p>	<p>June 30-July 3* Slime</p> <p>This week students will learn about the basic concept of chemistry, mixing two chemicals to form a new chemical. Students will become familiar with scientific terms and engage in the thinking process.</p>
<p>July 7-11 Tinkering</p> <p>Students will explore physics, chemistry, engineering and technology in tinkering projects as well as hands-on activities. Let's become a tinker!</p>	<p>July 14-18 inventions</p> <p>Your child is in for a week of innovation and creativity as they explore the exciting world of inventing. From brainstorming ideas to hands-on creation, this week will encourage imaginative thinking and problem-solving.</p>	<p>July 21-25 Rubix Cube</p> <p>This week's focus is on Rubik's Cubes. Get ready for a fun and challenging experience as your child explores problem-solving, spatial reasoning, and creativity through the world of Rubik's Cubes. It's a hands-on adventure that promises both enjoyment and cognitive growth.</p>
<p>July 28-August 1 Twisting Balloons</p> <p>We'll dive into the fascinating world of twisting balloons. Your child will have a blast learning the art of balloon twisting, creating delightful shapes, animals, and more. It's a week filled with hands-on fun and imaginative expression.</p>	<p>August 4-8 Magic Tricks</p> <p>It's all about illusion and magic tricks! Get ready for a week of wonder as your child explores and learns various magical illusions. It's a magical week filled with secrets, sleight of hand, and the joy of mastering the art of illusion!</p>
